### **Advice On Dying And Living**

It is with these words that Advice on Dying takes flight. Using a seventeenth-century poem written by a prominent scholar-practitioner, His Holiness the Dalai Lama draws from a wide range of traditions and beliefs to explore the stages we all go through when we die, which are the very same stages we experience in life when we go to sleep,

Dying. Steve Jobs reflected on his own mortality in an uplifting but somber commencement address in 2005.

## **Advice From Steve Jobs on Living and Dying**

People who are dying often feel like they've lost so much control over their lives already. Someone taking over your home without permission can feel like yet another loss to bear. Yes, offer to help with chores, but don't decide you know what needs to be done. Call first to see if your friend is feeling up to having visitors that day.
